

Arizona State Tax Credit

Would you like to take \$400 off of your state income tax and help Palo Verde School at the same time? A.R.S. 43-1089.01 allows taxpayers to receive up to \$400 tax credit by contributing to one of Palo Verde School's extracurricular activities. This tax credit allows any taxpayer (parent and non-parent) to take a \$400 credit before paying Arizona State Income Tax while supporting school activities such as:

Checks for the tax credit must be written and received by December 31.

You designate the school which will receive the funds and the activity you wish to support.

The school will receive the funds and issue a receipt to each taxpayer noting the Tax Credit status of the donation.

The amount of credit you decide to give will be applied towards a fee charged to a student for the extracurricular activity you designate, and will help fund the activity.

An extracurricular activity is any approved non-credit educational or recreational activity that supplements the educational program of the school, whether offered before, during, or after regular school hours that have a participation fee.

Married taxpayers may donate up to \$400 and single or head of household filers may contribute up to \$200.
