Help your School AND Reduce Your Tax Bill

Support local schools and receive a dollar-for-dollar state tax credit

State law provides an opportunity for the majority of Arizona taxpayers to contribute money to local public schools to be used for extracurricular activities. Extracurricular activities help children develop qualities such as leadership, team play, and cooperation, as well as provide safe, supervised activities after school hours. As an Arizona taxpayer, you may make a contribution to a public school — **\$400** for a married couple or **\$200** for a single person — and then deduct that entire amount from your state tax bill. A tax credit is a dollar-for-dollar reduction in the actual tax amount owed. It's a win-win situation for taxpayers and students!

Your Tax Credit donation can be used by the school of your choice for Extracurricular programs including:
